## EXEMPLARY

### *Customer Service*

Our dedicated team work tirelessly to ensure we offer the highest calibre customer service. The Aura Fires sales department are always on hand to answer any queries you may have regarding your order.

## ISO ACCREDITATION

### *Certification*

International Organisation for Standardisation. Gaining this certification means we have a proven our services and processes to be world-class in their quality, safety, and efficiency.

## GOING GREEN

### *Recyclable*

At Aura Fires we firmly believe in manufacturing quality electric fires in the most ethical way possible. The packaging for our fires is constructed using cardboard that is 100% recyclable, resulting in a robust and eco-friendly carton to ensure maximum protection.

## EXCELLENCE

### *Made In Britain*

At Aura Fires, we pride ourselves on building award-winning electric fires to the highest possible standards. Using components sourced from leading UK suppliers and assembled entirely at our factory premises in Stratford-Upon-Avon, Aura Fires strive to achieve excellence with every fire we despatch. If you have any queries once your order arrives, our dedicated sales and service teams are available for any aftercare assistance you may require.
